

NINE ENERGY CANADA INC. ("NINE")

TERMS AND CONDITIONS - CANADA

All products and services, including the supply and/or sale of products, rental of tools and equipment and furnishing of services (collectively referred to as "Products and Services") are provided to the customer (hereinafter referred to as "Customer") in accordance with the following terms and conditions set out herein. Any sales quote, sales order, invoice, field ticket, or other documentation relating to the Products and Services provided to Customer, along with these terms and conditions shall, taken together, form the contract between Nine and the Customer (hereinafter referred to as "Contract"). Each shipment received by Customer from Nine shall be deemed to be only upon the terms and conditions contained herein. In the event of any conflict between any documents, the following terms and conditions shall govern.

It is hereby expressly agreed that the conditions in and about Customer's service site, industrial facility, well, well bore, and drilling machinery have not been created by Nine and that Nine has no means to determine the hazards and dangers existing in and about said facilities and/or well to be encountered while the Customer performs any services which may cause surface and/or subsurface damage, property damage, personal injury and/or failure of the service operation. It is therefore agreed that the following terms and conditions shall apply to all products and services, as described above, that are provided to the Customer:

PAYMENT

The Customer shall pay the price in Canadian Dollars for all Products and Services as set out in the sales order invoice (hereinafter referred to as "Invoice") net 30 days from the date the Invoice was issued at 41214 Range Road 274, Lacombe, Alberta T4L 2N1. If not paid within thirty (30) days, the unpaid amount of such bill shall bear interest at the maximum rate allowed by law. If the account is placed in the hands of a collection agency or an attorney for collection, Customer agrees to pay all fees and costs accrued by Nine to collect on the unpaid invoice as well as attorney fees and court costs in accordance with the laws of the Province of Alberta.

COSTS AND TAXES

All prices identified in the Invoice for Products and Services may be exclusive of applicable transportation, insurance, Provincial and federal taxes, use and excise taxes, duties and the like depending upon the circumstances of the sales order. Customer agrees to purchase Products and Services and pay such costs, taxes, fees, and duties that may be applicable or reimburse Nine for such costs, taxes, fees, and duties that may be applicable.

SHIPMENT AND RISK OF LOSS

All products are sold F.O.B. Nine locations. Title to goods and risk of loss of goods or rented to Customer are passed upon delivery to carrier or Customer. Customer shall be responsible, and shall pay for, all shipping

arrangements including for crating, handling and delivery costs. Nine will coordinate shipping at the Customer's request; however, all costs incurred will be charged back to the Customer and the Customer will assume all risk of loss once the products leave Nine locations. If Nine coordinates shipping, Nine will attempt to ship products on the dates specified by the Customer; provided, however, that such delivery date shall be presumed to be approximate and Nine is not responsible for any damages, losses or costs incurred as a result of late delivery. Any claim for shipping loss, breakage or damage is the Customer's sole responsibility and should be made to the carrier.

RENTAL TOOLS AND EQUIPMENT

Nine offers certain of its equipment to its customers on a rental basis. Rental charges commence when equipment leaves Nine locations and continues until returned thereto. If rental equipment is shipped, carried to or from the lease location, cost of freight will be charged at Nine cost. Such rentals are taken by the Customer on an "as is" basis and with the same warranty and warranty limitations as otherwise expressed in the WARRANTY AND LIMITATION OF LIABILITY section set forth below. Nine may replace and/or repair defective rental equipment, as required, in its sole discretion. All rental equipment is operated at the Customer's risk and the Customer shall be responsible for payment of any damage to or cost of repair or replacement of such rental equipment in accordance with Nine current pricing of such rental equipment, excepting normal wear and tear. Well conditions that prevent satisfactory operation of such rental equipment does not relieve Customer of the responsibility for payment for rental equipment. Rental equipment which is lost or not recoverable shall be charged to the Customer at current list prices.

Nine reserves the right to modify and improve the design and method or construction of any of its products without incurring any obligation to install such modification or improvement on products sold, manufactured or assembled prior to or after the modification or improvement is implemented.

Notwithstanding the provision of any technical advisory services by a Nine representative, Customer retains complete control of the well and complete supervision of any operations performed in or about the well and Nine expressly disclaims any liability in connection with any technical advisory services. Nine makes no warranty concerning the effectiveness of the materials used, recommendations given, or the services rendered.

IN NO EVENT SHALL NINE BE LIABLE FOR ANY ENVIRONMENTAL DAMAGE AND CUSTOMER SHALL INDEMNIFY NINE FOR ANY ENVIRONMENTAL LIABILITY INCURRED BY NINE ARISING OUT OF NINE SUPPLY AND/OR SALE OF PRODUCTS AND SERVICES TO CUSTOMER. NOTWITHSTANDING THE ABOVE, NINE SHALL IN NO EVENT BE LIABLE FOR AN AMOUNT GREATER THAN THE AMOUNT THE CUSTOMER PAID TO NINE UNDER THE SPECIFIC PROPOSAL FOR SUCH PRODUCTS AND SERVICES. IN NO EVENT
